Hi Brian and Jose,

It's great to have a target date! Thank you, Brian!

Jose, will you please advise if LASan provides the receptacles? and if you know the answer to the question about property disposal?

If this is outside of LASAN's purview, GSD will investigate with appropriate agencies and report back.

Val

I spoke with Victor from LAHSA and we agreed to allow his outreach workers three weeks to work with individuals around the Civic Center so they are prepared for the weekly cleanups. The weekly cleanups will begin on Saturday, February 23rd.

Also, Victor said his outreach workers can absolutely distribute sharps receptacles to their clients around the Civic Center. Which department can provide those to LAHSA? Is it LASAN or another department? Also, the outreach workers need clear direction on where they can properly dispose of these receptacles.

Thanks so much.

Brian
